TERMS—While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate. No discounts will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

CLAIMS—Claims must be made immediately upon receipt of goods. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of the stock ordered.

We carefully pack all stock, and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company. Claims for damage or delay in transit should be filed with the transportation company. In this connection we shall be glad to assist you in any way we can.

WE ARE A PINK TICKET NURSERY—It certifies that stock from which shipment is made has been found free of pests not of general distribution in Los Angeles County and is released for planting in said county without further inspection.

ACKNOWLEDGMENT — Your orders will be acknowledged promptly and shipments made as quickly as possible, so if your order is not acknowledged please advise us immediately. Sometimes, because of inclement weather, or the press of business, there may be a slight delay in shipment, but we assure you that this will not be more than is absolutely necessary.

NON-WARRANTY—The Select Nurseries will exercise care to have all plants true to name. Nevertheless, it is understood that should any plant prove otherwise, we shall not be liable for any sum greater than that paid for such plants as may prove untrue. If the purchaser does not accept the goods on these terms, they are to be returned at once.

We invite you to visit us at any time and should you come by rail or plane, write, wire or phone us and we shall be glad to assist you in every way possible.

QUANTITY PRICES—We will be please to quote special prices on large quantities.

NOTICE—If you do not find the stock you want listed, please write to us and we may be able to supply you. We have many varieties in insufficient quantities to warrant listing. We invite correspondence and are ready to assist our patrons in every way we can.
